

AMIGURUMI WHALE

KNIT GRIT

"Whale"

Begin

Skill Level

Easy

You Will Need

- Worsted Weight Yarn
Red Heart Soft in "Blue"
- D3/3.25 mm Crochet Hook
- Polyester Fiberfill
- (2) Safety Eyes
- Darning Needle
- Scissors

Note: Hook size is not as important as much as having your stitches tight so as to not show the stuffing inside. You don't want your stuffing to escape once you filled your amigurumi.

If you change your yarn size, be sure to adjust your eyes and embroidery accordingly.
